Responses to Elder Abuse: Understanding Services and Systems

PowerPoint Slide Set Overview

Introduction

This document supports the NCEA slide deck *Responses to Elder Abuse: Understanding Services and Systems.*

Teaching Tips

- Review the slides in advance to determine if you will discuss some or all of the agencies listed in this slide set.

- Add slides with local information wherever there are slides with red type. If you are giving a statewide or national presentation, consider removing these slides.

- Consider facilitating this material with one or more co-presenters from a different discipline to model collaboration.
